ORAL ORDER

(Passed on 28th July, 2006)

Having heard the learned counsel for the parties, I am not inclined to entertain this writ petition. The first circumstance which weighed with the Court is the fact that the term of the temporary permit granted in favour of the fourth respondent would come to an end by the end of July 2006. The second circumstance is that it is not as if the Regional Transport Authority granted temporary permit to the fourth respondent with the same timings as assigned to the petitioner while granting regular permit to him on the same route. Admittedly, there is fifteen minutes gap between two operations. Writ petition is, therefore, dismissed. No costs
